Securope sur bac chaud
Securope sobre cubierta hot deck
Securope auf Warmdach

FALLPROTEC

March 2018

Description

Fallprotec has designed the Multipost and the SpotAnchor for fixing the Securope life line on hot deck roofs. A hot deck roof is a corrugated sheet covered by an insulating material and a membrane. Fixed by a reinforced toggle bolt, the fixation assemblies distribute the forces on a large surface.

Advantages

- For 4 users
- Undeformable
- Energy absorbing
- Easy to retrofit on existing buildings
- Guaranteed waterproofness thanks to a roofing collar

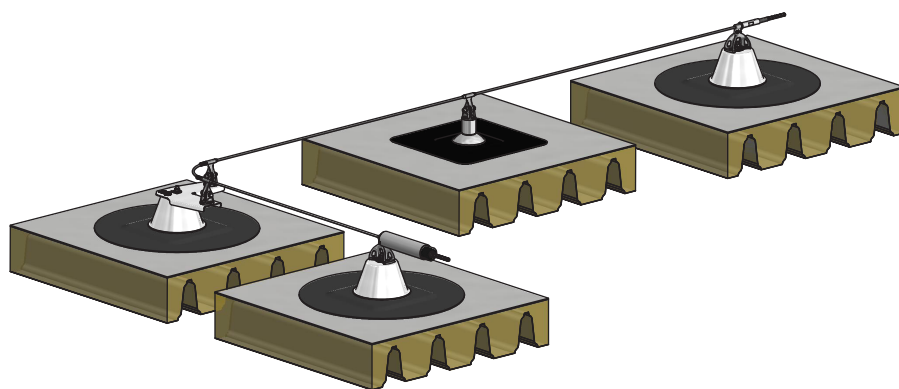

Compliant with EN 795:2012
C EN/TS 16415:2013
MADE IN EU

Technical specifications

Delivered with an installer and user manual.

Material: Stainless steel, collar in bitumen or PVC
