

Securope NEO lifeline on skydome

Ligne de vie Securope NEO sur verrière

Línea de vida Securope NEO sobre cubierta de vidrio

Securope NEO Absturzsicherung auf Glasfläche

FALLPROTEC

December 2018

Description

The Securope lifeline on skylight is used to safely clean the glass. A custom made bracket will integrate the lifeline to the skydome design.

Advantages

- Smooth movement along the lifeline
- Undeformable anchors
- Absorbs energy in case of a fall
